

Help Wanted

Sending note through Newsletter to help recruit some general members for the committee to flesh out the membership and help with action items.

Webinar Series

In process of deciding topics and securing speakers.

First Webinar will be slated for early March.

Looking into eligibility for CCA continuing education credits

In the next month or two, we may submit a proposal for funding for advertisement through Crops & Soils, which all CCAs receive, to attract CCA attendees.

This is a fantastic opportunity to increase our viewership and reach a broader audience

Poster Competition

The Education Committee agrees with the \$300, \$200, \$100 prize levels for our Poster Contest winners. Don Jones, we need to clear up whether 2017 winners have been given prizes yet, please advise when you have time.

Early Career Working Group

ECWG has contacted us for support regarding implementing mentoring panels. We are willing to support and will be communicating with them to determine what assistance is needed
