

1) Student abstract submission for 2017 NAPB annual meeting has been extended to **June 7th**.

2) The deadline for reserving on-campus housing is **June 6th**, so if you were planning on staying in the dorms on campus you **MUST** register and select your housing package on the registration website by **tomorrow**, June 6th.

You can access those packages by typing the promo code GRAD into the promo code box on the very first page that comes up after you click on the registration link.

If you do not register for housing before **June 6th** it will not be available. The contract with campus housing is strict and no exceptions can be made.
